

# LaserBio Labs - Price list 2022

| P/N            | Designation   | Price (€)     |
|----------------|---|---------------|
| <b>M001</b>    | CHCA matrix kit   | 125.00        |
| <b>M002</b>    | SA matrix kit   | 125.00        |
| <b>M003</b>    | DHB matrix kit  | 125.00        |
| <b>M004</b>    | Peptide / protein 3-matrix kit (CHCA, SA, DHB)                      | 215.00        |
| <b>M005</b>    | sDHB matrix kit   | 125.00        |
| <b>M006</b>    | CA matrix kit   | 135.00        |
| <b>M007</b>    | FA matrix kit   | 125.00        |
| <b>M008</b>    | Peptide / protein 5-matrix kit (CHCA / SA / DHB / CA / FA)          | 360.00        |
| <b>M009</b>    | HPA matrix kit  | 125.00        |
| <b>M010</b>    | 246THAP matrix kit  | 125.00        |
| <b>M012</b>    | Oligonucleotide 3-matrix kit  | 185.00        |
| <b>M101</b>    | Purified CHCA matrix  | 160.00        |
| <b>M102</b>    | Purified SA matrix  | 185.00        |
| <b>M103</b>    | Purified DHB matrix   | 150.00        |
| <b>M104</b>    | Purified peptide / protein 3-matrix kit (CHCA / SA / DHB)           | 150.00        |
| <b>M105</b>    | Purified sDHB matrix  | 160.00        |
| <b>M106</b>    | Purified CA matrix  | 185.00        |
| <b>M107</b>    | Purified FA matrix  | 150.00        |
| <b>M108</b>    | Purified peptide / protein 5-matrix kit (CHCA / SA / DHB / CA / FA) | 185.00        |
| <b>M109</b>    | Purified HPA matrix   | 160.00        |
| <b>M110</b>    | Purified 246THAP matrix   | 185.00        |
| <b>M112</b>    | Purified oligonucleotide 3-matrix kit (HPA / PA / THAP)             | 150.00        |
| <b>C001</b>    | Peptide calibration kit I (1000-8500 Da)                            | 245.00        |
| <b>C002</b>    | Peptide calibration kit II (0-2000 Da)                              | 245.00        |
| <b>C003</b>    | Protein calibration kit (5-100 kDa)                                 | 245.00        |
| <b>C004</b>    | Peptide / Protein calibration kit (1-100 kDa)                       | 360.00        |
| <b>C101</b>    | Peptide calibration PepMix 1 (1000-2500 Da)                         | 185.00        |
| <b>C102</b>    | Peptide calibration PepMix 2 (1500-6000 Da)                         | 185.00        |
| <b>C103</b>    | Peptide calibration PepMix 3 (3000-9000 Da)                         | 185.00        |
| <b>C104</b>    | Peptide calibration PepMix 4 (Proteomix) (500-3500 Da)              | 185.00        |
| <b>C105</b>    | Peptide calibration PepMix 5 (500-2000 Da)                          | 185.00        |
| <b>C106</b>    | Peptide calibration PepMix 6 (350-1000 Da)                          | 185.00        |
| <b>C107</b>    | Protein calibration ProMix 1 (5,700-17,000 Da)                      | 185.00        |
| <b>C108</b>    | Protein calibration ProMix 2 (8,000-24,000 Da)                      | 185.00        |
| <b>C109</b>    | Protein calibration ProMix 3 (23,000-66,000 Da)                     | 185.00        |
| <b>C110</b>    | Protein calibrants (12,000-66,000 Da)                               | 185.00        |
| <b>D101</b>    | Myoglobin trypsin digest  | 185.00        |
| <b>D102</b>    | Enolase trypsin digest  | 185.00        |
| <b>D103</b>    | Glutamate dehydrogenase trypsin digest                              | 185.00        |
| <b>D104</b>    | BSA trypsin digest  | 185.00        |
| <b>D105</b>    | Glycogen phosphorylase trypsin digest                               | 185.00        |
| <b>D106</b>    | Trypsin digests Mix   | 185.00        |
| <b>IMG-001</b> | MALDI imaging starter kit for ABI 4800                              | <b>700.00</b> |
| <b>IMG-101</b> | MALDI imaging starter kit / generic                                 | <b>485.00</b> |
| <b>IMG-102</b> | ITO slides (25)   | <b>150.00</b> |
| <b>IMG-103</b> | ITO slides (100)  | <b>600.00</b> |
| <b>IMG-104</b> | Water-sensitive paper - 26x76 mm (Pack of 25)                       | <b>50.00</b>  |
| <b>IMG-105</b> | Double-side conductive copper tape - 25 mm (Pack of 20)             | <b>50.00</b>  |
| <b>IMG-106</b> | Double-side adhesives for glass slides                              | <b>30.00</b>  |
| <b>IMG-107</b> | Image Mix 1 - Calibration standards - MSI small molecules           | <b>185.00</b> |
| <b>IMG-108</b> | Image Mix 2 - Calibration standards - MSI peptides                  | <b>185.00</b> |
| <b>IMG-109</b> | Image Mix 3 - Calibration standards - MSI Proteins                  | <b>185.00</b> |
| <b>IMG-110</b> | Matrix & Calibrants MSI starter pack                                | <b>215.00</b> |
